

**"Our Gifts His Glory"**  
**1 Peter 4:10-11**

1. Believers in Christ should be diligent in using their spiritual gifts. According to 1 Peter 4:10, what should be our goal when employing this gift?
2. Those in Christ are to be stewards of the spiritual gifts bestowed upon them by God. Where do all these gifts stem from (v.10)?

If we have all been "equipped by God with certain gifts" and "we are to use those gifts in a life-giving way that would bless others and glorify God", what spiritual gift(s) has God bestowed upon you?

3. In verse 11, Peter divides Christian service into 2 general categories:

The one who \_\_\_\_\_ &

The one who \_\_\_\_\_.

How are we to speak?

How are we to serve?

4. What's the ultimate purpose of displaying the spiritual gifts (v. 11)?

To whom should praise and credit for Christian ministry always be given?

5. Where else do we see the mention of spiritual gifts?

Ephesians \_\_\_\_\_; 1 Corinthians \_\_\_\_\_; and Romans \_\_\_\_\_.

6. How does the body of believers suffer if you use your gift for the wrong reasons? How does the body of believers benefit if you use your gift for the right reasons?

7. Have you asked God lately how He might want to use your spiritual gifts? Are there certain areas in the church where you could possibly better use the gifts God has given you?
